

INDL-9 Conference, Geneva, 9-11 September 2026. Provisional programme (as of 8 September 2026)

9 September 2026

09:00:00	09:30:00	Room II - R2 South	Welcome address		
09:30:00	11:00:00	Room II - R3 South	Transparency and traceability in the AI models and their supply chains		Chair: Anis Rahman, University of Washington
	09:30:00	09:45:00	Stratified AI: Intra-National Inequalities and the Coloniality of Digital Labour		Pankhuri Agarwal, King's College London - Damian Grimshaw, King's College London
	09:45:00	10:00:00	Building Fair AI Supply Chains: Governance, Accountability, and the Fairwork Certification Scheme		Mark Graham, Oxford Internet Institute, University of Oxford - Patrick Feuerstein, Berlin Social Science Center
	10:00:00	10:15:00	Digital Colonialism and AI Supply Chains: Labour and Infrastructure in Indonesia's Data Centre Economy		Petra Molnar, Berkman Center for Internet and Society [Harvard University], York University [Toronto]
	10:15:00	10:30:00	Cooperative-AI-Substrate Platform: A Multi-Scale Architectural Inversion for Human-Centric AI Supply Chains		Jonathan Jones, Liana Banyan Corporation
09:30:00	11:00:00	Room Jura - R2 South	Legal frameworks, regulatory initiatives, and institutional responses		Chair: Uma Rani, ILO
	09:30:00	09:45:00	Active Algorithmic Transparency as an Operational Principle of Location-Based Platform Work		Laura Mantilla León, Derechos Digitales

		09:45:00	10:00:00	Centring Microworkers' Needs in EU Platform Regulation	Luisa Burchartz, Universiteit Utrecht
		10:00:00	10:15:00	Between Welfare and Control: Rethinking Social Protection Policies for Platform Workers in India	Kinchank Chakma, Ashank Desai Centre for Policy Studies (ADCPS), Indian Institute of Technology Bombay, Mumbai, Maharashtra, India
		10:15:00	10:30:00	Beyond the Black Box: A Comparative Analysis of Algorithmic Management Regulation in Latin America (Chile, Mexico, and Uruguay) and Lessons From the Global South	Federico Rosenbaum Carli, Universidad Católica del Uruguay [Montevideo, Uruguay]
09:30:00	11:00:00	Room IX - R2 South	Algorithmic management, labour control, and workers' resistance		Chair: Caetano Patta Barros, Brazilian Centre for Analysis and Planning (CEBRAP)
		09:30:00	09:45:00	A gig within a gig: A comparative study of intermediation and market creation in ride hailing and home services platforms in India	Anna Elias, Erasmus University Rotterdam
		09:45:00	10:00:00	"Is This Really Gonna Help Someone?" Alienation Among European Data Workers	Floor Fiers, Universiteit Utrecht, Universiteit van Amsterdam
		10:00:00	10:15:00	Algorithmic Control, Gamification, and Resistance among Platform Delivery Workers in Mexico City	José Angel Cerón Hernández, El Colegio de México A.C. - Minor Mora Salas, El Colegio de México A.C.
		10:15:00	10:30:00	HETEROMATING MACHINES, ISOLATION, INVISIBILITY AND THE USAGE OF TIME: A DISCUSSION ABOUT CHILEAN MICROWORKERS SUBJECTIVITY.	Diego Rivera, Universidad de Chile, Institut Polytechnique de Paris, FAIR
09:30:00	11:00:00	Room V - R3 South	Working conditions, occupational safety and health of workers in the human-in-the-loop		Chair: Gemma Newlands, University of Zurich

				09:30:00	09:45:00	Affective traces of AI labor: workers' emotions, job-market narratives, and emerging vulnerabilities in Madagascar	Aina Anjara Fitahiana Razafimahenina, Africa Center For Artificial Intelligence - Myriam Raymond, Université d'Angers
				09:45:00	10:00:00	Artificial Degradation: Generative AI and the Deskilling of Creative Labor	Wiktor Sokół, University of Gdańsk
				10:00:00	10:15:00	Encoding Marginality: AI Supply Chains and Linguistic Data Work in India	Lorenzo De Lellis, Ca' Foscari University [Venice, Italy]
				10:15:00	10:30:00	Psychosocial and Health-Related Risks in AI value chains: the Case of Latin American Data Workers	Matheus Viana Braz, State University of Maringá - Lucas Souza, Fluminense Federal University [Niterói]
							- Paola Tubaro, Centre de Recherche en Economie et Statistique (CREST, CNRS) - Mathilde Abel, Télécom Paris - Antonio Casilli, Télécom Paris
11:00:00	11:30:00	Gobelin - R2 South	Coffee Break				
11:30:00	13:00:00	Room V - R3 South	Working conditions, occupational safety and health of workers in the human-in-the-loop	Chair: Lucas Santos Souza, Universidade Federal Fluminense			
				11:30:00	11:45:00	An Exploration of Instability: The Association of Fluctuating Conditions in Microwork with Workers' Daily Well-Being through Basic Need Satisfaction	Sofie Schuller, Universiteit Utrecht
				11:45:00	12:00:00	Intermediary assemblages and platform fetishism: understanding entanglements of AI-enabled tools, subcontracting, and platform-mediated labor	Quinn O'Dowd, University of Illinois at Urbana-Champaign
				12:00:00	12:15:00	Artificial Intelligence in the movie industry and live entertainment	Eliana Como, Fondazione Di Vittorio

		12:15:00	12:30:00	The Global Color Line of AI Labor: Digital Colonialism in the OpenAI-Sama Supply Chain	Anis Rahman, University of Washington
11:30:00	13:00:00	Room II - R3 South	Transparency and traceability in the AI models and their supply chains		Chair: Matheus Viana Braz, State University of Maringá
		11:30:00	11:45:00	The Social Penalties and Rewards of AI-Augmented Work.	Gemma Newlands, Universität Zürich - Christoph Hassler, Universität Zürich
		11:45:00	12:00:00	Mapping workers skills across AI supply chains across geographies	Uma Rani, International Labour Organization - Morgan Williams, International Labour Organization
		12:00:00	12:15:00	One arm of the Assembly line of AI. EU data workers and privacy regulation	Thomas Le Bonniec, Télécom Paris
		12:15:00	12:30:00	Visible Yet Unseen: Unpacking the (In)visibilities of Food Delivery Riders in Public Space	Emilia Bruck, Vienna University of Technology
11:30:00	13:00:00	Room IX - R2 South	Algorithmic management, labour control, and workers' resistance		Chair: Nuno Meira Simoes Cunha, Labour Market Institution Specialist, ILO
		11:30:00	11:45:00	Bonded to the algorithm: how ratings shape platform-based domestic work in India	Eleonora Paesani, School of Oriental and African Studies
		11:45:00	12:00:00	Cartography of Digital Labor: The De-territorialization of Delivery Workers through the Co-creation of Maps	Igor Dalla Vecchia, Martin-Luther-Universität Halle Wittenberg - Martin-Luther-University Halle Wittenberg
		12:00:00	12:15:00	Chinese Delivery Workers on Short Video Platforms: From Everyday Self-Media to Alternative Video Activism	Ke Huang, Université de Montpellier Paul-Valéry

		12:15:00	12:30:00	Contesting Control: Algorithmic management in the era of platform work regulation	Didem Özkiziltan Wagenführer, Berlin Social Science Center (WZB)
11:30:00	12:30:00	Room Jura - R2 South	PANEL: Data4Workers: Algorithmic Management in Food delivery and Care Platforms. A Participatory Research Project in Four Countries		Chair: Jessica Pidoux, PersonalData.io, Université de Neuchâtel
			11:30:00	11:45:00	Decoding Algorithmic Management through Workers' Calculative Power: Potential and Limitations of a Participatory Methodology for AI Accountability in Platform Labour Jessica Pidoux, PersonalData.io, Université de Neuchâtel - Núria Sánchez-Mira, Université de Neuchâtel
			11:45:00	12:00:00	Labour Control in Delivery and Care Platforms: A Comparative Study from Chile Francisca Gutiérrez-Crocco, Universidad Austral de Chile, Data4workers - Monserrat Greene Núñez, Data4workers
			12:00:00	12:15:00	Data Rights and Platform Labour Markets in Uruguay Luciana Zorzoli, Essex Business School - Catalina Wins Porta, University of the Republic of Uruguay
13:00:00	14:30:00	Cafeteria - R2 North	Lunch		
13:20:00	14:20:00		ILO History Tour	ILO Historian Remo Becci	
14:30:00	15:30:00	Room II - R2 South	Data Work and Territory: The Latin American Experience		Keynote: Julian Posada. Chair: Antonio Casilli
15:30:00	16:00:00	Gobelin - R2 South	Coffee Break		
16:00:00	17:30:00	Room Jura - R2 South	Role of social dialogue in governing AI-mediated work		Chair: Denis Neumann, University of Leeds

		16:00:00	16:15:00	When Machines Manage: Workers' Demands and Trade Union Responses to AI	Paolo Agnolin, Princeton University
		16:15:00	16:30:00	The Limits of Social Dialogue in Algorithmic Work: Institutional Mismatch in Labour Governance Across Employment Forms	Branka Andjelkovic, Re:People - Centre for Society and Technology
		16:30:00	16:45:00	Technological Change, Occupational Structure, and Wage Inequality in India: The Role of Trade Unions and Labour Regulations	Prachi Tayade, Indian Institute of Technology [Bombay] - Kiran Mhaske, Indian Institute of Technology [Bombay]
		16:45:00	17:00:00	Worker Voice and Post-Deployment Governance in AI Supply Chains: Evidence from Unionised Workplaces	Claudine Tinsman, Queen Mary University London - Anjali Krishan, Queen Mary University London
16:00:00	17:30:00	Room V - R3 South	Working conditions, occupational safety and health of workers in the human-in-the-loop		Chair: Isabel María Barrero Velázquez, Universidad de Cádiz
		16:00:00	16:15:00	From Bad to Microwork: Playful Work Coping and the Loss Cycle	Yuri Scharp, Universiteit Utrecht
		16:15:00	16:30:00	Is it exploitation? Platform work through a human trafficking lens	Salomé Lannier, University of Luxembourg
		16:30:00	16:45:00	Algorithmic Management and Wage Dynamics: an Individual-level Survey Evidence	Claudia Collodoro, Università cattolica del Sacro Cuore [Milano] - Maria Enrica Virgillito, Università cattolica del Sacro Cuore [Milano], Institute of Economics of Sant'Anna [Pisa]
		16:45:00	17:00:00	From Algorithmic Management to Organizational Cognitive Ecology	Manuela Paulon, The Adecco Group

16:00:00	17:30:00	Room IX - R2 South	PANEL: Corporate Accountability in AI Supply Chains: the AI-Workers' Rights Litigation (AI-WORLD)	Chairs: Baptiste Delmas & Luca D'ambrosio, Université Paris 1 Panthéon-Sorbonne	Luca D'Ambrosio, Université Paris 1 Panthéon-Sorbonne / Ecole de droit de la Sorbonne - Baptiste Delmas, Institut de Recherches Juridiques de la Sorbonne - Rachel Beausejour, CGT-FAPT - Samira Alaoui, CGT-FAPT - Ephantus Kanyugi, Data Labelers Association - Joan Kinyua, Data Labelers Association - Anthony Kimani, Oversight Lab Africa - Anonymized, Independent scholar
16:00:00	17:30:00	Room II - R3 South	Transparency and traceability in the AI models and their supply chains		Chair: Myriam Raymond, Université d'Angers
16:00:00	16:15:00	Ethically Distant? Awareness of Hidden Labor in AI Supply Chains Among Remote Workers		Barbara Švagan, University of Primorska, Faculty of Management	
16:15:00	16:30:00	From microtask to requester: prompt commoning against the fragmentation of AI labor		Adrián Lombera, Universitat de VIC, Universitat Central de Catalunya	
16:30:00	16:45:00	Shadow AI at Work: Labour Control and Everyday Resistance		Alex Miltsov, Bishop's University	
16:45:00	17:00:00	Outside the Doughnut: A Socio-Economic Framework for the True ROI of Human-Centric AI Supply Chains		Prachi Sharma, Future Shift Labs - Vidhi Sharma, Future Shift Labs	

10 September 2026

09:00:00	10:30:00	Room V - R3 South	Working conditions, occupational safety and health of workers in the human-in-the-loop	Chair: Julián Posada, Yale University
			09:00:00 09:15:00 "The fight is against the whole system": Labor advocacy for African Content Moderators	Fasica Gebrekidan, Independent researcher - Kauna Malgwi, (African Content Moderators Union; School of Humanities Pan African Christian University)
			09:15:00 09:30:00 "The world is not ready to listen to people behind AI": Recognition and Justice for Data Workers	Tianling Yang, Weizenbaum Institut [Berlin]
			09:30:00 09:45:00 From Digital Inclusion to Ethical AI Supply Chains: Centering Refugee Youth in the Future of AI-Mediated Work	Muranga Kandanda, Youth Initiative for Development
			09:45:00 10:00:00 Behind the Screens: Emotion work in GenAI content moderation	Gianlorenzo Meggio, Copenhagen Business School [Copenhagen]
09:00:00	10:30:00	Room IX - R2 South	New frameworks for a "human-centric" AI supply chain	Chair: Marco Marrone, Università del Salento
			09:00:00 09:15:00 Credentialized Gatekeeping in AI Supply Chains: Toward a Human-Centric Framework of Labor Market Entry in North America	Maria Cervantes Macias, University of British Columbia [Canada]
			09:15:00 09:30:00 Datacraft: Digital Bodies in the Data Economy	Kanikka Sersia, Graduate Institute of International and Development studies, Université de Lausanne - Filipe Calvao, Graduate Institute Geneva
			09:30:00 09:45:00 From Human-in-the-Loop to Workers-in-Governance: A Labour Bill of Materials for Human-Centric AI Supply Chains	Yang Zida, Peking University - Cao Yuxuan, Peking University [Beijing]

		09:45:00	10:00:00	From Atomized Workers to Digital Solidarities: Everyday Resistance among Egyptian Data Workers	Myriam Raymond, GRANEM, Institut d'Administration des Entreprises (IAE) - Angers - Henrique Oliveira Da Motta, Capgemini [Berlin]
09:00:00	10:30:00	Room II - R3 South		Gender and digital labour	Chair: Núria Sánchez-Mira, Université de Neuchâtel
		09:00:00	09:15:00	Digitalisation and Market Heterogeneity in the Domestic Economy: Workers' Profiles and Working Conditions across Formal and Platformised Markets in French-Speaking Switzerland	Camille Budon, University of Neuchatel - Sofia Kypraiou, Personaldatal.io, University of Neuchatel
		09:15:00	09:30:00	Homemaking for the Algorithm: Reimagining Households as a Space for Productive' Work	Sneha Roy, Graduate Institute of International and Development studies
		09:30:00	09:45:00	Coordination Labor and Reset: Naming the Invisible Time of Platform Childcare Work in South Korea	Minjeong Shin, Department of Cultural Anthropology, Yonsei University (Seoul)
		09:45:00	10:00:00	Reproductive Labor in Cross-Border Online English Teaching	Jelena Košinaga, Universität Graz
09:00:00	10:30:00	Room Jura - R2 South		Algorithmic management, labour control, and workers' resistance	Chair: Paola Tubaro, Centre de Recherche en Economie et STatistique (CREST, CNRS)
		09:00:00	09:15:00	AI Beyond Job Loss: the Role of Labor Rights in Workers' Attitudes and Policy Preferences on AI regulation	Marie Labussiere, Centre de recherche sur les inégalités sociales (Sciences Po, CNRS)
		09:15:00	09:30:00	Platform Work and Older Workers in the Global South: Evidence from Brazil and Chile	Lourival Chaves Júnior, State University of the Tocantins Region of Maranhão
		09:30:00	09:45:00	You Can't Be "Unbiased" on a Moving Train: The Framing of Consensus in Community Notes	Aishik Saha, National and Kapodistrian University of Athens
		09:45:00	10:00:00	Gamification, Algorithmic Management, and Governmentality on Digital Taxi Platforms	Eamonn Sullivan, National University of Ireland Maynooth, ADAPT Centre, Taighde Eireann

10:30:00	11:00:00	Gobelin - R2 South	Coffee Break		
10:50:00	11:00:00		Group photo		
11:00:00	12:00:00	Room II - R2 South	From Rengong (artificial/human labor) to Intelligence: Rethinking AI and Labor in and from China	Keynote: Julie Yujie Chen. Chair: Maria Mexi	
12:00:00	13:00:00	Room Jura - R2 South	Algorithmic management, labour control, and workers' resistance	Chair: Kanikka Sersia, Geneva Graduate Institute	
			12:00:00	12:15:00	Task creep: The hidden expansion of unpaid labour in platform work Prakriti Dasgupta, National University of Ireland Maynooth
			12:15:00	12:30:00	Unpacking Collective Organization of Platform Workers: A Multi-Level Analysis of Three Sectors in Argentina Julieta Haidar, Workers Innovation Centre, National Research Council
			12:30:00	12:45:00	Algorithmic Management and the Erosion of Procedural Accountability Gonzague Isirabahenda, "1 Decembrie 1918" University of Alba Iulia
12:00:00	13:00:00	Room II - R3 South	Gender and digital labour	Chair: Mariana Fernández Massi, CONICET	
			12:15:00	12:30:00	Gendered precarity in platform labor: invisible work, care responsibilities and algorithmic management in the Czech platform economy Markéta Švarcová, Institute of Sociology of Czech Academy of Science
			12:30:00	12:45:00	Navigating precarity and algorithmic control in digital care platforms Isabel María Barrero Velázquez, Universidad de Cádiz
			12:30:00	12:45:00	The Underside of the AI Supply Chain: Ghost Workers, Occupational Health, and Gendered Vulnerability in India's Content Moderation Industry Sonam Rai, Jawaharlal Nehru University, New Delhi

12:00:00	13:00:00	Room V - R3 South	Transparency and traceability in the AI models and their supply chains	Chair: Damian Grimshaw, King's College London
			Artificial Intelligence and the Firm: 12:00:00 12:15:00 Transformations, Impacts, and Patterns of Innovation	Simone Vannuccini, Groupe de Recherche en Droit, Economie et Gestion
			12:15:00 12:30:00 Tracing value added in the AI compute infrastructure supply chain: A product-level analysis of the NVIDIA GB200 NVL72 server rack	Luukas Heydemann, UNCTAD - Nicolas Maystre, UNCTAD
			12:30:00 12:45:00 Mapping Labor's Leverage Points in the AI Hardware Global Production: The Case of Samsung	Brandon Hunter-Pazzara, Georgetown University
12:00:00	13:00:00	Room IX - R2 South	New frameworks for a "human-centric" AI supply chain	Chair: Mathilde Abel, Institut Polytechnique de Paris
			12:00:00 12:15:00 Labor as Critical Infrastructure: Worker-Verified Traceability for Human-Centric AI Supply Chains	Yang Zida, Peking University
			12:15:00 12:30:00 Origins of data work: Thinking about "lead" obligations for the data work sector	Ritvik Gupta, Aapti Institute - Sreya Nair, Aapti Institute - Aditi Shah, Aapti Institute
			12:30:00 12:45:00 The human labour force in supply chains: Digital technologies and warehouse automation in India	Balaji Parthasarathy, International Institute of Information Technology Bangalore
13:10:00	14:00:00	Cafeteria - R2 North	Lunch	
14:00:00	15:30:00	Room II - R3 South	Organizational, legal and financial perspectives on the rate of investment of ethical AI and challenges of regulatory compliance	Chair: Timothy Newman, Tech Equity

		14:00:00	14:15:00	Deep Labor: Beyond the Platform/BPO Divide in Data Work	Antonio Casilli, Institut Polytechnique de Paris
		14:15:00	14:30:00	AI and the Rebalancing of Open Source Contributions	Dong Yue, Verona University
		14:30:00	14:45:00	Making promises: Ethical Investment, Regulatory Compliance and the enactment of Labour in the Pacific Alliance AI policies.	Oscar Javier Maldonado, Universidad del Rosario [Bogota] - Derly Sánchez Vargas, Universidad del Rosario [Bogota]
		14:45:00	15:00:00	AI Supply Chains and the New Technological Feudalism: Standard Hegemony and Labor Co-Construction	Miaotong Yuan, School of Music and Recording Arts, Communication University of China
14:00:00	15:30:00	Room V - R3 South	PANEL: Regulating AI supply chains in the sector of logistics, European Union and comparative national legal perspectives		Chair: Claire Marzo, Université Paris-Est Créteil Val-de-Marne - Paris 12
		14:00:00	14:15:00	Banning subcontracting and AI supply chains in Germany	Manfred Walser, Hochschule Mainz/University of Applied Sciences
		14:15:00	14:30:00	Reshaping logistics supply chains in Italy: the role of AI and digital technologies	Silvia Borelli, Università degli Studi di Ferrara
		14:30:00	14:45:00	Towards a European Union regulation of AI supply chains	Claire Marzo, Université Paris-Est Créteil Val-de-Marne - Paris 12 - Silvia Borelli, Università di Ferrara
		14:45:00	15:00:00	Monitoring AI supply chains in the sector of Logistics via due diligence in France	Claire Marzo, Université Paris-Est Créteil Val-de-Marne - Paris 12 - Barbara Palli, Université de Lorraine
15:30:00	16:00:00	Gobelin - R2 South	Coffee Break		

16:00:00	17:30:00	Room Jura - R2 South	Algorithmic management, labour control, and workers' resistance	Chair: Anthea Bicakcioglu, ILO
	16:00:00	16:15:00	Labour Control and Supervision on Delivery Platforms in Portugal	Patrícia Santos, Universidade Nova de Lisboa
	16:15:00	16:30:00	From algorithms to the shop floor: Labour process dynamics and job quality in AI supply chains.	Daina Bellido de Luna, Universidad de Santiago de Chile
	16:30:00	16:45:00	From Protest to Policy: How News Framing of Gig Workers' Strikes Influence on Social Security Code Implementation in India.	Shikha Shalini, Research Scholar - Dr. Sweta Singh, Associate Professor
	16:45:00	17:00:00	Reconciling risk and workers' rights: the EU's risk-based approach to algorithmic management and its implications for labour law	Giovanni Gaudio, University of Turin - Law Department
16:00:00	17:30:00	Room IX - R2 South	Role of social dialogue in governing AI-mediated work	Chair: Nicolas Maystre, UNCTAD
	16:00:00	16:15:00	Mapping worker-led AI governance in the global cultural industries	Rafael Grohmann, University of Toronto - Helena Wright, University of Toronto
	16:15:00	16:30:00	Counter-Laboratories for reimagining AI: What does "ethical AI" mean for Social Digital Movements from the South?	Paula C. Santos Menezes, Laboratório de Território e Comunicação/UFRJ
	16:30:00	16:45:00	Labour at the margins: how European public discourse forecloses social dialogue on AI and work	Nikos Smyrniotis, Université de Toulouse - Charis Papaevangelou, Université de Toulouse

		16:45:00	17:00:00	Absence of Social Dialogue and Vulnerability of Digital Labourers: AI-Mediated Freelancing Platforms and Agency Exploitation in Bangladesh	Md Mahmud Hasan, Assistant Professor
16:00:00	17:30:00	Room V - R3 South	Working conditions, occupational safety and health of workers in the human-in-the-loop		Chair: Julie Chen, University of Toronto
		16:00:00	16:15:00	Not all equal: A multidimensional vulnerability indicator for platform data workers	Paola Tubaro, Centre de Recherche en Economie et Statistique (CREST, CNRS)
		16:15:00	16:30:00	Remote Control: A Cross-platform Analysis of How Algorithmic Control shapes Platform Satisfaction in Online Gig Work	Karthika Nadarajah, Radboud university [Nijmegen]
		16:30:00	16:45:00	From Laptop to Living Room: Spillover-Crossover Effects of Microwork on Workers' and Their Partners' Social Well-Being	Sofie Schuller, Universiteit Utrecht
		16:45:00	17:00:00	Digital Autoethnography and the Affective Economy of Data Work in the Global South	Matheus Viana Braz, State University of Maringá
18:00:00	20:00:00	INDL-9 Conference cocktail: Restaurant Ariana Medusa, Rue de Montbrillant 87, 1202 Genève, www.medusa-geneve.ch			

11 September 2026

09:00:00	10:30:00	Room II - R3 South	Transparency and traceability in the AI models and their supply chains	Chair: Morgan Williams, Research Officer, ILO
----------	----------	--------------------	--	---

09:00:00	09:15:00	Extracting Workers' Cognition: an NLP Approach to AI Annotation Guidelines	Mathilde Abel, Institut interdisciplinaire de l'innovation, Télécom Paris - Thomas Le Bonniec, Télécom Paris - Donatella Delpiano, Università degli studi di Torino
09:15:00	09:30:00	Epistemological Laundering and the Invisible Labour of AI Supply Chains	Adio Dinika, DAIR Institute - Camilla Salim Wagner, DAIR Institute - Milagros Miceli, DAIR Institute, Weizenbaum Institut [Berlin]
09:30:00	09:45:00	The False Consciousness of LLMs: Representations of "Ghost Workers" in Artificially Generated Images	Lorenzo Incardona, United International Business School, Milan
09:45:00	10:00:00	The expression and suppression of upstream workers' voice in contemporary global value chains	Myriam Bouyakhlef, Rotterdam School of Management (Eramus University Rotterdam)

09:00:00	10:30:00	Room V - R3 South	Working conditions, occupational safety and health of workers in the human-in-the-loop	Chair: Claartje Ter Hoeven, Universiteit Utrecht
----------	----------	-------------------	--	--

09:00:00	09:15:00	Drawing boundaries: inequalities on digital platforms across geographies	Julietta Longo, Laboratorio de Estudios en Sociología y Economía del Trabajo - Mariana Fernandez Massi, Laboratorio de Estudios en Sociología y Economía del Trabajo
----------	----------	--	--

	09:15:00	09:30:00	Just-in-Time Embeddedness in AI Value Chains: Content Moderation, Data Work, and Infrastructures of Circulation in Southern Europe	Marco Marrone, University of Salento - Antonio Casilli, Institut Polytechnique de Paris
	09:30:00	09:45:00	Students Behind the Scenes of Digital Labor	Saadeddine Igamane, Sidi Mohamed Ben Abdellah University - Morocco - Fidae El Hassouni, Sidi Mohamed Ben Abdellah University - Morocco - Khamar El Khomssi, Sidi Mohamed Ben Abdellah University - Morocco
	09:45:00	10:00:00	Teachers as Data Annotators: Human-in-the-Loop Labor and the Platformization of Educational AI	Paula Menezes, Faculdade de Educação
09:00:00	10:30:00	Room IX - R2 South	Legal frameworks, regulatory initiatives, and institutional responses	Chair: Diego Rivera, Universidad de Chile
	09:00:00	09:15:00	Children and Youth in Platform Labour and the Limits of Regulation in Brazil	Amanda Biazzi, Universidade Estadual de Maringá [Brasil] - Matheus Viana Braz, Universidade Estadual de Maringá [Brasil]
	09:15:00	09:30:00	Regulating platform labour in Brazil: precarity, contestation, and workers' agency	Lucas Souza, Universidade Federal Fluminense [Rio de Janeiro]
	09:30:00	09:45:00	Governance Instrument or Governance Performance? National AI Strategies and the World of Work in Europe and Latin America	Anthea Bicakcioglu, International Labour Organization - Caetano Patta Barros, Brazilian Centre for Analysis and Planning
	09:45:00	10:00:00	The Rise of the Rule of Algorithms: From Lex Laboris to Lex Algorithmica and the Erosion of Just and Equitable Labour Protection in Algorithmic Governance.	Sathiyaseelan Janani, University of Colombo [Sri Lanka]
09:00:00	10:30:00	Room Jura - R2 South	Algorithmic management, labour control, and workers' resistance	Chair: Sofie Schuller, Universiteit Utrecht

		09:00:00	09:15:00	Labor Dependency and the Reconfiguration of Labor Relations in Digital Platforms	Pía Garavaglia, Universidad de Buenos Aires
		09:15:00	09:30:00	Negotiating Contextual Legitimacy: Migrant Workers' Interpretations of Precarity Beyond the Platform in Italy and Germany	Padmini Sharma, independent researcher
		09:30:00	09:45:00	Uberized and Undocumented: Legal Status and Working Conditions of Migrant Platform Delivery Workers in France	Marwân-Al-Qays Bousmah, Institut national d'études démographiques, Centre Population et Développement
